

# Kosheen, All In My Head

I wonder why  
You act so fly  
When you try, so hard to try, to try, to try, to try  
I see the sky, is open wide  
Take a look inside  
Its wild like a child its free  
Come on  
It's all in my head,  
It's all in my head

Us only, you and me  
Wherever you go I will be  
Just close your eyes and you'll see  
And wherever you go I will be

On the other side  
Of life we glide  
Got our pride  
Standing tall in the sun  
Are we flying high  
Spinning in our time  
Living life and loving free  
This is where I wanna be  
Come on

It's all in my head,  
It's all in my head

Us only, you and me  
Wherever you go I will be  
Just close your eyes and you'll see  
And wherever you go I will be

It's all in my head,  
It's all in my head

Us only, you and me  
Wherever you go I will be  
Just close your eyes and you'll see  
And wherever you go I will be
