

# Kosher, Bottle Caps

I drink to pass the time.  
I drink just to get you off my mind.  
All I wanna do is have some fun.  
I hope I'm not the only one.  
Twist those bottle caps, tell yourself you're never looking back.  
Tonight will be alright.  
I get fucked, but not by girls.  
It's in my head and the hatred for the world.  
All I wanna do is have some fun.  
I hope I'm not the only one.  
Twist those bottle caps, tell yourself you're never looking back.  
Tonight will be alright.  
I drink to pass the time.  
Now it feels like it's all the time.  
I really don't care what you say, cuz in my head I'm deranged.
