Hit em with the sick shit, just like the misfits

Kottonmouth and Cypress Hill always kick the dope shit

Down with Daddy X, D-loc, and Johnny Richter

Southern Calis most high, do you get the picture?

We dont stop we just keep on dumpin

Wit the spit that kill, homeboy aint lackin nothing

From the streets of SouthCali, all the way to OC

Any where around the world that smokes the dope weed

We got what it takes, Kush bud, hash cakes, smoke filled room when the dip takes place

I be commin on strong, on the song like Tommy Chong,

Beatin on my chest mad dog, king kong, Heres another verse from the dog that came first

We commin at you hard from the ghetto to the surf, I be putting in work, so just stay up off my turf,

Put the blunt down, And listen up now!
