

Koutarou Nakagawa, All Hail Britannia

Truth and hope in our Fatherland!
And death to every foe!
Our soldiers shall not pause to rest
We vow our loyalty
Old traditions they will abide
Arise young heroes!
Our past inspires noble deeds
All Hail Britannia!
Immortal beacon shows the way
Step forth, seek glory!
Hoist your swords high into the clouds
Hail Britannia!
Our Emperor stands astride this world
He'll vanquish every foe!
His truth and justice shine so bright
All hail his brilliant light!
Never will he be overthrown
Like mountains and sea
His bloodline immortal and pure
All Hail Britannia!
So let his wisdom guide our way
Go forth and seek glory
Hoist your swords high into the clouds
Hail Britannia!
