

Koyote, Bwa

Disco part two ready go
now dance with me let's get it on
let's go one two set it off
now KYT let's get this party on
I just wanna give it to baby
feel you what a love hurts all right
I just wanna give it to baby
feel you what a love hurts all right
Wa bwa dashi hanbeon naege wa bwa
bwa bwa neol eotteoke daehaneunji...
myeot beoneul tteonado gidaryeotteon naege yonggi isseumyeon wabwa
Michyeo jashin inneun neo-ui nunbit
jichyeo saranghandan geu hanmadi
dashineun mot hage geu ipssul mot yeolge haejulge
Ppalgake muldeun ajjiran nae sumgyeore aetaneun ni nunbit
naega geuraettteut eoseo maraebwa neol dugo gaji mallago
I will get you baby baby come on love tonight.
naege ppajyeodeulge mandeul geoya
aeweonhaneun neol haninhan nungillo chagapkke beoryeojulge
I will get you baby baby come on love tonight.
ije huhwehaedo soyongeopsseo
naega badatteon geu sangcheodeul geudaero da ni gaseume dollyeojulge
Alright there's a party going on
disco to the left & right it's on
nado moreuge ne ma-eumeul dachige
love neo-ui gaseume sangcheoreul namgin chae
alright there's a party going on
let's dance now to the funky song
neoreul hyanghan na-ui sarang aetage
eoneusae na-ui ma-eumeun gathine love
Nareul nappedago tathajima
niga nal ireoke mandeungeoya
sarange dachige mi-ume gathige hangeoya
Butjapkho shipeo neobakke saranghal jul moreuneun nanikka
hajiman ijen japji anheullae deo isang ulji anheullae
I will get you baby baby come on love tonight
naege ppajyeodeulge mandeulgeoya
aeweonhaneun neol janinhan nungillo chajapkke beoryeojulge
I will get you baby baby come on love tonight
ije huhwehaedo soyongeopsseo
naega madatteon geu sangcheodeul geudaero da ni gaseume
I will get you baby baby
I will need you baby baby
I will get you baby baby
chagapkke beoryeojulge
I will get you baby baby come on love tonight
ije huhwehaedo soyongeopsseo
naega badatteon geu sangcheodeul geudaero da ni gaseume dollyeojulge
I just wanna give it to baby
feel you what a love hurts all right
I just wanna give it to baby
feel you what a love hurts all right
I just wanna
