

Krace, Shout

We're gonna rock rock rock your world
We're gonna rock rock rock your world
We got all the money we got all the girls
We're gonna rock rock rock your world

We're gonna fight fight whoever we meet
We're gonna fight fight whoever we meet
It's just a living we wanna complete
We're gonna fight fight whoever we meet

Shout sha la la la la loud
We wanna make you
Shout sha la la la la loud
We're gonna make you
Shout sha la la la la loud
So all you do is
Shout shout shout shout

We're gonna get you wherever you are
We're gonna get you wherever you are
You better freeze get in my car
We're gonna get you wherever you are

Shout sha la la la la loud
We wanna make you
Shout sha la la la la loud
We're gonna make you
Shout sha la la la la loud
So all you do is
Shout shout shout shout

You will never ever stand
You will never ever stand
You will never ever stand
You will never ever stand
You will never ever stand
You will never ever stand

Shout sha la la la la loud
We wanna make you
Shout sha la la la la loud
We're gonna make you
Shout sha la la la la loud
So all you do is
Shout shout shout shout
Shout shout shout shout
Shout shout shout shout
