

# Kraftwerk, Showroom Dummies

1 2 3 4 [in German]

We are standing here  
Exposing ourselves  
We are showroom dummies  
We are showroom dummies

We're being watched  
and we feel our pulse  
We are showroom dummies  
We are showroom dummies

We look around  
and change our pose  
We are showroom dummies  
We are showroom dummies

We start to move  
And we break the glass  
We are showroom dummies  
We are showroom dummies

We step out  
And take a walk through the city  
We are showroom dummies  
We are showroom dummies

We go into a club  
And there we start to dance  
We are showroom dummies  
We are showroom dummies

[Repeat to fade:]  
We are showroom dummies
