

Kraftwerk, The Robots

We're charging our battery
And now we're full of energy
We are the robots
We are the robots
We are the robots
We are the robots

We're functioning automatic
And we are dancing mechanic
We are the robots
We are the robots
We are the robots
We are the robots

Ja tvoi sluga, (I'm your slave)
ja tvoi Rabotnik (I'm your worker.)

we are programmed just to do
anything you want us to
we are the robots
we are the robots
we are the robots
we are the robots

we're functioning automatic
and we are dancing mechanic
we are the robots
we are the robots
we are the robots
we are the robots

Ja tvoi sluga, (I'm your slave)
ja tvoi Rabotnik (I'm your worker.)

Ja tvoi sluga, (I'm your slave)
ja tvoi Rabotnik (I'm your worker.)

[Repeat to fade:]
We are the robots
