Verse 1:

Welcome to Tampa home of the Raymond James
where the Bucs put it down and they bring the pain
Man u hear the cannons shootin'
and all the fans rootin'
Rookies and child's screamin'
now that we got Jon Gruden
Every game off the chain now the chucks in here
And u goin walk the plank if u ain't a Buccaneer
What's up in here we got the other teams fans leavin'
Cause our D put they offense out for the season
Sapp, Brooks, John Lynch and all three Johnson's
Simeon, Shawn King, y'all don't want problems
McCardell, Gramatica who u goin get man to stop
Mike Alstott and my boy Pittman
Everybody's chattin,' cheerin' and braggin'
about the new Bucs who play like All Madden
On ur backs scrattin' is where we puttin' y'all
get ur beer and ur grills its time for football

Chorus 2x

Welcome to the feild where the BUCS play
At the Raymond James down in Tampa Bay
Jon Gruden got the team off the chain this year
cause the Glazers want a superbowl ring this year
Yo

What u mean wit the Bucs
U ain't wit checkin dawg
On the tip of the ship

Verse 2

I'm a Buccaneer fan and I'm stay wit 'em

Cubs out of Bears
Kitties out Lions, tru ball players
Buckley, Walker, Barber, McFarland, Dexter Jackson, Buccaneers ballin'
After Brett Farve and all quarterbacks

Buccaneers back breakin' like dishes
What u know bout' Stecker and Jurevicius

Christy, Kelly can't let u leave
Wit out sendin' games from the B-U-C's
Builted suited up
Ready to go shine

Chant:

Our offense tuff; our defense rough.."Go bucs! go bucs!
