

# Kreator, Flag Of Hate (Live)

Dark shadows lie over the city  
Tonight someone will die, you can hear  
Some painful scream the air is full of files  
The mayhemic legions are ready to steal the human souls  
Come into my vault and do what you have been told  
I'll eat your intestines no matter if you pray or please  
I'll bring you down to your knees  
Tonight you're gonna meet your fate you'll try to run but it's too  
Late I am here to liquidate

Chorus:

Time to raise your flag of hate, destroy the world is our only aim  
To strike them down is the only way to make 'em dead  
and make 'em pay

The gallows of the underground shippers on the sea of blood

All what we want is to crucify your "god";

The posers on this earth have no right to live

We gonna split their brains torture is what we give
