

Krezip, All I'm Asking For

I can hardly breathe and it's hard to handle
Things I need to do
It's hard to get up but I want to go out
I'll cry out loud for you

You need to stay, don't walk away
That's all I'm asking for
Just hold my hand, understand
You're all I need now
That's all I'm asking for
That's all I'm asking for
That's all I'm asking for

I don't need to eat and don't want to drink
I'm just waiting here for you
And it won't be easy to be around me
But there's nothing left to do

You need to stay, don't walk away
That's all I'm asking for
Just hold my hand, understand
You're all I need now
That's all I'm asking for
That's all I'm asking for, yeah

Can't you see that it's wrong, so wrong
To leave me here all alone, no, all alone

You need to stay, don't walk away
That's all I'm asking for
Just hold my hand, understand
You're all I need now
That's all I'm asking for
That's all I'm asking for
That's all I'm asking for
