

# Krezip, Mine (Acoustic)

What's this, you're trying to talk about  
But I, I'm busy shutting out  
That's not what we should be

So you've got me  
Can you still see  
I will hold you tight for the rest of time  
I could be like it's forever  
For as long as it's you

Everything I feel is true  
Nothing can compare to you and  
You are mine  
It took a lot to get me here  
Now I ain't letting go of it 'cause  
You are mine

What's this I haven't been around  
You know exactly where I'm found  
That's just how it will be

So you've got me  
Can you still see  
I will hold you tight for the rest of time  
I could be like this forever  
For as long as it's you

Everything I feel is true  
Nothing can compare to you and  
You are mine  
It took a lot to get me here  
Now I ain't letting go of it 'cause  
You are mine

You gave me time to  
Get loosened up about  
You taste like you should be  
You just knock me out  
'Cause I love you, want you, need you, hold you  
'Cause there should be time to do

Everything I feel is true  
Nothing can compare to you and  
You are mine  
It took a lot to get me here  
Now I ain't letting go of it 'cause  
You are mine, oh

So I said  
You are mine  
No, you are mine  
Oh, you are mine  
Said you are mine
