

Krezip, Perfect

you're flying high
high above everybody
you are the one
the one we all wanna be
you never cry
no there's just no reason to
you're never alone
'cause there's someone to be

you are so beautiful
it is unbelievable
you are so wonderful
it is just incredible
you are so wise
yes you just know everything
you're never alone
'cause there's someone to say

oh i just wanna know you
just winkle little me (?)
please touch my hand while walking
oh how much i wanna be
