

Krezip, Play This Game With Me

Waiting

I'm so sick of waiting

Oh baby

It's driving me crazy

But I just can't get enough, can't get enough, can't get enough

I'm waiting

You just keep me waiting

It's all up to you

But there's no more time to waist tonight

Chorus

It would be so much better

If you could play this game with me (game with me)

It's now or never

Or there's no more time for you and me (you and me)

But you just don't get it

Just don't get it

Is it ever enough

I'd like it so much better

If you could play this game with me

Oh play this game with me

Waiting

I'm so sick of waiting

And it kills me

That you're never there for me

I'm so into you

You just get me up and down again

Chorus

It would be so much better

If I could get my way

It's now or never

This is the game I play

It would be so much better

So much better yeah

But you just don't get it

Just don't get it

Just don't get it

You just don't get it oh no

Chorus
