

# Krezip, Sweet Goodbyes

Can't sleep 'cause everything's changing  
You don't want to leave things behind  
Can't breath cause to many things  
Going on going wrong in your life  
Tears in your eyes, sweet goodbyes  
I know how you feel right now  
Losing dreams you've come to care about  
I know what you need right now  
You need to come on home so I can hold you tight  
Get you through the night  
I'll get you trough the night  
Wake up the sun's shining bright  
Lets go out of bed into the light  
Shape up we won't forget  
Still there's lots of love left to hold tight  
Tears in your eyes, sweet goodbyes  
I know how you feel right now  
Losing dreams you've come to care about  
I know what you need right now  
You need to come on home so I can hold you tight  
Get you through the night  
Everything I love between us will get us trough the night  
All the things we lost will teach us see the pretty things in life  
All the places that we've been to the people we relate to  
All the love that we give in to  
Blow the tears from our eyes, sweet goodbyes  
I know how you feel right now  
Losing dreams you've come to care about  
I know what you need right now  
You need to come on home so I can hold you tight  
I know how you feel right now  
Losing dreams you've come to care about  
I know what you need right now  
You need to come on home so I can hold you tight  
I'll get you trough the night
