Krezip, That'll Be Me

chorus You cant love him For hes already mine And I wont let you Two is too much and I am his one I fell in love with an angel He will just do anything for me So girl I understand why youre trying But he only loves one and that I be me chorus You cant love him For hes already mine And I wont let you Guess you didnt see he only needs me You cant pretend that its not true I understand that girl so its ok I listened to your story now go, go, go Cause we would like to have some time of our own chorus You cant love him For hes already mine And I wont let you Youve had your chance and now it is mine solo chorus You cant love him For hes already mine And I wont let you

Hell just have one and that I be me
