

Krezip, You're Wrong

Can't you say you're wrong, just admit it now so we can go on.
I've asked you once or twice, baby you are running out of time.

I know we're so in love, but that's not enough.

Whohoho,
Are you not just anyone who'd cancel me and walk away,
Whohoho,
Don't you see what's going on , there's no way you can disagree,
Whohoho,
You're wrong, you're wrong,
Whohoho.

What you take me for, I do not wanna hear your shit no more.
We could get it on, all I need to hear is you were wrong.

I know we're so in love, but you're letting me down ,down ,down-yeah
Don't play it tough, can't have you letting me down´
Whohoho,
Are you not just anyone who'd cancel me and walk away,
Whohoho,
Don't you see what's going on , there's no way you can disagree,
Whohoho,

You're wrong, you're wrong,
Whohoho.

Are you not just anyone?
And you should know just what I want.

Whohoho,
Are you not just anyone who'd cancel me and walk away,
Whohoho,
Don't you see what's going on, there's no way you can disagree,
Whohoho,
You're wrong, you're wrong,
Whohoho,
Are you not just anyone who'd cancel me and walk away,
Whohoho,
Don't you see what's going on , there's no way you can disagree,
Whohoho,
You're wrong, you're wrong,
Whohoho,
You're wrong, you're wrong,
Whohoho,
You're wrong, you're wrong,
Whohoho.
