

Kris Kristofferson, If You Don't Like Hank Williams

I dig Bobby Dylan and I dig Johnny Cash
And I think Waylon Jennings is a table thumpin' smash
Hearin' Joni Mitchell feels as good as smokin' grass
If you don't like Hank Williams honey you can kiss my ass
Cause I think what they've done is well worth doin'
And they're doin' it the best way that they can
You're the only one that you are screwin'
When you put down what you don't understand
[guitar]
I said I dig Roger Miller Merle Haggard George Jones
Shotgun Willie Nelson and them rockin' Rolling Stones
Each thing new them Eagles do is better than their last
And if you don't like Hank Williams honey you can kiss my ass
Cause I think what they've done...
One more time now I think what they've done...
