

Kris Kristofferson & Rita Coolidge, Song I'd Like To

(na na na na na na na....)

There's a song I'd like to sing
Do you know the song I mean?
It don't always sound the same
But it's always good to sing.

Maybe it don't mean a thing
It's a pretty little tune.
It's a song I'd like to sing
And I'd love to sing with you.

And we can get to know each other
Like a sister and a brother
Like a father and a mother
Like a woman and a man

We can sing along together
Just enjoying 'til it's over
It don't need to last forever
If we want it to it can.
