

Kris Kross Amsterdam & Conor Maynard, Are You

Let's not play
You told me to go
And then you put your hands on me
Hands on me
Let's not play
I can feel your body
Baby, it remembers me
Remembers me

Is he all that you
all that you need
oh, come on
wont you please tell me

who do you love
Are you sure
who do you love
and Are you sure
/2x

Turn off your phone
He don't need to find out
What he doesn't need to know
need to know
So tell me what you wanna do
Cus you can't split your heart in two
tell me what you wanna do

Is he all that you
all that you need
oh, come on
wont you please tell me

who do you love
Are you sure
who do you love
and Are you sure
