

# Krisiun, Conquerors of Armageddon

Insulting blasphemous eminent gods  
hatred elders of almighty curse  
ascending spells casting storms of plague  
as abyssic cracks of hecatomb breaks forth  
devourment of the Nazarence's breed  
swallowed upon the chasm of eternal black  
from below to beyond the stars  
persecution of fallen souls  
draining armies of corpses  
for the kingdom of death's alignment  
mighty infernal legions attack  
impaled Christ falls from the skies

Overlords of hatred consecration  
exalt the spirits of tyrant command  
cast the emplagued scourge  
thru seas of reaped flesh and gore  
infamous force of blackness unleash  
upon the gate of no return  
the flesh of all men devoured  
all blood of creation spills  
dying for the mighty sword  
souls of holiness entangled  
drowned on the stream of all pain Jehovah god desecrated

heaven's empire of deceit destroyed  
cleansing in ablazing firestorm  
envenement and molestation down below  
swallowed into the seas of black blood and gore  
infestation of scourge and damnation  
spirits of abomination ride  
enthroned empowered in flames  
wicked merciless gods celebrate

conquerors of Armageddon  
impaling spike on the damned cross  
kill, kill, kill lord Jesus Christ

infamous force of blackness unleash  
upon the gate of no return  
the flesh of all men devoured  
all blood of creation spills  
dying for the mighty sword  
souls of holiness entangled  
drowned on the stream of all pain Jehovah god desecrated
