

# Krisiun, Evil Gods Havoc

Amongst mountains and sacred fields  
of the havoc of the evil gods  
a ferocious forged empire guards  
mystical altars and monoliths  
heralds of primitive evil powers  
prayers of chaos and hate  
rituals of perpetual darkened servitude  
conquering of gods supremacy  
ceremonial flesh desecration  
spirits of fire unleashed

Descendants of enemies hatred blood  
ancestral armies clash  
vindication of the tyrant enthroned  
impaler of nations conquered  
ethereal monarch of victorious chaos  
of festivals of blazing purification  
enchanted of pure vengeful spells  
ageless souls of vengeance rejoiced  
upon massacred civilizations  
remains the divine earth

(chorus:)

Genocide empowers the tyrant  
enduring chaotic strength  
conquering legions of the ancient pillages  
march on thru eternity

(repeat chorus)
