

Krist van D, Because I Love You

I got your letter
From the postman just the other day
So I decided to write you this song
Just to let you know
Exactly the way I feel
To let you know my loves for real
Because I love you
And Ill do anything
Ill give you my heart, my everything
Because I love you
Ill be right by your side
To be your light, to be your guide
If you should feel
That I dont really care
And that youre starting to lose ground
Just let me reassure you
Tah tyou can count on me
And that Ill always be around
Because I love you
My hearts an open door
Girl, wont you please come on in
Because I love you
Ill be right by your side
To be your light, to be your guide
Because I love you
Ill be right by your side
To be your light, to be your guide
