

# Krist van D, Summer (Memories)

Summer around us  
People dance for my eyes  
Summer around us  
People move to the trance  
x3

Baby we can do it all the time  
just like that  
Baby we can move all the night  
just like that

Baby we can do it all the time  
Baby we can do it all the time  
Baby we can do it all the time  
just like that

Summer around us  
People dance for my eyes  
Summer around us  
People move to the trance

Baby we can do it all the time  
just like that  
Baby we can move all the night  
just like that

Summer around us  
People dance for my eyes  
Summer around us  
People move to the trance

just like that  
just like that  
just like that  
one more time

Summer around us  
People dance for my eyes  
Summer around us  
People move to the trance  
x2
