

# Kristeen Young, Fishnet

There I am in his car. The radio's on.  
&quot;I Didn't Mean To Turn You On&quot; is on.  
The one with the girl singer.  
He tore open my fishnet stockings. I don't know what I  
Was doing.  
I was a child in some fishnet stockings, but I think I  
Knew what I was doing.  
Somebody forgive me. I didn't know what I was wearing.  
He had me caught in fishnet stockings, but I think I  
Knew what I was wearing.  
There I am in his house. His wife's downstairs,  
But I want to be anything he wants me to be.  
I'm fucking stupid.  
He tore open my fishnet stockings. I didn't know what I  
Was doing.  
I was a child in some fishnet stockings, but I think I  
Knew what I was doing.  
Somebody forgive me, I didn't know what I was waering.  
He had me caught in fishnet stockings, but I think I  
Knew what I was wearing.
