

# Kristen Barry, Gotta Go

Hmm, I gotta go  
I'm juist gonna pack up and go  
I'm finally gonna leave this town it's killing me  
'Cause ten years is a long time for  
Someone with a short life and  
I gave it all I could, I did now

Would you love me if I was a junky  
I can be cool I could be something  
It's just not what I believe in  
It's just not what I believe in

Hmm, did you notice  
I stood there by the door  
And I stood there through all your changes  
But I guess we all have to grow up sometimes  
We all have our lives to live  
We all have to find out what it is we can give so

Would you love me if I was a junky  
I can be cool I could be something  
It's just not what I believe in  
It's just not what I believe in

Hmm.. I'm going  
Hmm.. I'm going
