

# Kristian Leontiou, Fast Car

You got a fast car  
I want a ticket to anywhere  
Maybe we make a deal  
Maybe together we can get somewhere  
Any place is better  
Starting from zero got nothing to lose  
Maybe we'll make something  
Me, myself, I got nothing to prove

You got a fast car  
I got a plan to get us out of here  
Been working at the convenience store  
Managed to save just a little bit of money  
Won't have to drive too far  
Just 'cross the border and into the city  
You and I can both get jobs  
And finally see what it means to be living

You got a fast car  
Is it fast enough so we can fly away?  
We gotta make a decision  
Leave tonight or live and die this way

So remember we were driving, driving in your car  
Speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
And I had a feeling I could be someone, be someone, be someone

You see my old man's got a problem  
He live with the bottle, that's the way it is  
He says his body's too old for working  
His body's too young to look like his  
My mama went off and left him  
She wanted more from life than he could give  
I said "somebody's got to take care of him"  
So I quit school and that's what I did

So remember we were driving, driving in your car  
Speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
And I had a feeling I could be someone, be someone, be someone

You got a fast car  
Is it fast enough so we can fly away?  
We gotta make a decision  
Leave tonight or live and die this way
