

# Kristin Hersh, Your Dirty Answer

You know how it feels when the real world encroaches  
Rubbing elbows with the unemployed and you  
You're so beautiful  
You're so rude  
Peeling mangos on a fold out couch  
I'm scooped out  
You're inscrutable  
You're all mine

Swimming is a 'lude  
Wine opens your mind  
Your guitar's a race car  
Sex is your best friend  
What's your dirty answer?

My fantasies are unloved histories  
You know what it's like when mistakes go unmade  
It was beautiful  
It was you  
I'm giving up the ugly  
I thought you'd make pretty  
I'll be goddamned  
This is beautiful  
Hold my hand

Swimming is a 'lude  
Wine opens your mind  
Your guitar's a race car  
Sex is your best friend  
What's your dirty answer ?

I don't judge people  
I just watch them 'til it's time to look away  
I want to look away now  
Somebody's coming  
I don't want to look backwards,  
I don't want to even look backwards  
It's not my fault  
It's not my fault you don't love me  
It's not my fault you don't love me  
When I'm drunk

I'm wiped  
I'm so tired

Carry me for a little while
