

# Kristine W., Lovin' You

Oooh'. ooh yeah' uh, uh, uh, uh, uh, now'  
wuh, uh, uh, uh, uh, now'  
wuh, uh - wuuuhhhhhhhh  
Lovin' you  
All I wanna do  
This feels so right I'm  
Lovin you  
All I wanna do  
'Cause I like the way I'm  
Lovin you' you'.

I used to run  
I used to hide from love  
But now, I'm satisfied  
'Cause you showed me  
That love could be  
So good, so real and oh so right  
So many things I used to let get in my way  
Now I open up my arms and say hey

[CHORUS]

Lovin You  
It's all I wanna do  
K: For the rest of my life  
This feels so right I'm  
Lovin You  
It's all I wanna do  
K: For the rest of my days  
'Cause I like the way I'm  
Lovin You  
Lovin' You  
K: I'm lovin' you, huh'

An open book, an open door  
That's what you are and I thank you for  
The heart you give that's sensitive  
You're all I need and you're so much more  
I used to fill each hour of each single day  
Now I slow it down enough to say hey hey

{CHORUS}

K: I'm lovin you  
K: Don't you know I'm lovin you  
BKGND: I like the way I like the way hey

Ev-Ev'ry day, (K) every day  
Ev-Ev'ry night, holding me close  
Never had a lover make me feel so right  
Never have another, (K: never make me feel so right) never let you go

Lovin You  
All I wanna do  
This feels so right  
I'm lovin you (K: I'm lovin' you)  
All I wanna do (K: I wanna do)  
K&B: The rest of my days  
'Cause I like the way I'm

Repeat CHORUS 'till fade.
