

# Kristopher Kyer, Chitty Chitty Bang Bang (Parody)

Oh, no, Chitty Chitty Bang Bang  
Chitty Chitty Bang Bang we've been bad,  
For we should have got our road tax,  
But we were a bit lax now we're sad,  
We were driving round a bend  
And didn't see the camera there  
Flash Bang Chitty Chitty Bang Bang  
It's been a real nightmare!

We tried our best to fly away  
Because we've got these fines to pay  
But we didn't get very far!  
The camera caught Chitty on tape  
They foiled our plan a wind escape  
By clamping the wheel of the car!

Oh Chitty no Chitty you know where you can go Chitty  
Isn't it a tragic end?  
?? Chitty Chitty Bang Bang  
Our road tax dodging friend!!  
Chitty Chitty Bang Bang  
Chitty Chitty Bang Bang  
Road tax dodging Chitty Chitty Bang!!
