

Kristy Starling, There Will Come A Day

"It's not easy, trying to understand
How this world can be so cold
Stealing the souls of man
Cloudy skies rain down on all your dreams
You wrestle with the fear and doubt
Sometimes it's hard but you gotta believe

There's a better place
Where our Father waits
And every tear, he'll wipe away
The darkness will be gone
The weak shall be strong
Hold onto your faith
There will come a day

There will come a day....

Wars are raging, lives are scattered
Innocence is lost, hopes are shattered
The old are forgotten, the children are forsaken
In this world we're living in
Is there anything sacred?

There's a better place
Where our Father waits
And every tear, he'll wipe away
The darkness will be gone
The weak shall be strong
Hold onto your faith
There will come a day

There will come... I know there's coming a day, coming a day...
Oh yeah, ooo, I know there's coming a day
I know there's coming a day

The song will ring out down those golden streets
And the voices of old, with the angels will sing hallelujah
Every knee will bow, sin will have no trace
In the glory of His amazing grace
Every knee will bow, sin will have no trace
In the glory of His amazing grace

There will come a day..."
