

Kristy Thirsk, I Know You Are Out There

(Thirsk/Wong)

in the morning i won't reach out
'cause if i do i'll burst the cloud
i feel you tricked me, wisdom is falling
another day
now i'll play that game inside my head
wondering if you care, every day, just long enough
maybe our nature's when they say no to my cold heart
i need to know, i need to know
i need to know, i need to know
i need to know, do you care at all?
i'm in the corner and crying now
if i pull my hair, i pull it out
i need some comfort, some kind of answer
a bursting cloud
so i'll play that game inside my head
wondering if you care, every day, just long enough
maybe our nature's when they say no to my cold heart
i need to know, i need to know
i need to know, i need to know
i need to know, do you care at all?
maybe our nature's when they say no to my cold heart
