

Kristy Thirsk, Take You On

How many times can a heart break before it can't be fixed again?
How many crimes can be forgiven before the jury can't pretend?

Now I'm out of time and you're out of line
And I don't want to love you any more
I don't want to see you walk out that door

It hurts just a little bit, oh a little bit, when you come down on me
Your love is like a violent hit and I just can't be fit to take you on

How many crimes can be hidden behind the shadow of your lies?
I was led in light that showed me ribbons and then they strangled up my life

Now i cannot play your game of the day
And i don't want to love you any more
I know that I have to walk out that door

It hurts just a little bit, oh a little bit, when you come down on me
Your love is like a violent hit and I just can't be fit to take you on
It hurts just a little bit, oh a little bit, when you come down on me
Your love is like a violent hit and I just can't be fit to take you on

How many times can a heart break before it can't be fixed again?

It hurts just a little bit, oh a little bit, when you come down on me
Your love is like a violent hit and I just can't be fit to take you on
Now it hurts just a little bit, oh a little bit, when you come down on me
Your love is like a violent hit and I just can't be fit to take you on
I just can't, can't take you on, oh no
