

Krokus, Our Love (Will Never Die)

I can tell by the way you hold your head
Tell by the way you smile
You're tellin' me lies
But I don't need to know
It's your life

When we're together babe it's love all the time
Livin' in this heart of mine
You tear me apart
Now I don't wanna hear you
Start again

Please don't ask no questions
And I won't tell you lies
Diggin' in the dirt
Only gonna hurt

It's time you realized

If you got somethin' to say
Go ahead 'n' fire away
No matter what card you play
It's you I've always needed

Our love will never die
Don't know why
It's a feelin' inside

We both had lovers outta town
Both like foolin' around
It doesn't really matter
Because we'll never fall apart again...
