

Kronos, Haterealm

Haterealm

Come forth to me
and I'll show you the hate
ruling this ground
deranged souls built this realm
deranged souls dwell in this realm
come forth to me
and I'll show them your hate
growing in this land

Haterealm

I hate so I exterminate
I hate so I purificate
I hate so I eradicate
I hate so I dominate

I hate so I emaciate
I hate so I emaciate
I hate so I emaciate
I hate... show me thy hate

Come forth to me
and I'll show you your hate
as your unnumbered friends
who once their eyes opened
grunt their hate
haterealm and so the hate must be
a tool of malevolence
used in sadistic meanings
