

# KRS-One, Doth Thou Know

[KRS-One]

Thou knowest not what thou sayeth in speech?  
Doth thou know what thou teacheth to each?  
From thine own mouth, thy corrupt thine own house  
Thy corrupt thine siblings and thine own spouse  
Satan has hold of thy spirit  
So evil has hold of thy lyric  
Whomsoever shall hear it shall adapt it  
And walk the talk of evil just as ye rapped it  
But I cometh forth today to say thus  
Evil is an illusion, in GOD we trust  
In Satan we lust  
Coveting thy brother's vehicle while riding the bus  
Feeling unjust  
Trust not sinners in the flesh they aren't winners  
But in the spirit they art children, beginners  
Eat not of the dinner they serve  
Seek the experienced MC, not the beginners in word
