

Kru, Sekali Lagi

(David Foster Cedric Dent Linda Thompson)

Love has got a perfect plan
I've finally come to understand
You can never ask too much of love
Love forgives your greatest sin
With open arms to let you in
You can never ask too much of love

*

I know...there's always one thing I'm sure of
It's the purest emotion we have
Love is... one neverending circle
That brings us around to face ourselves

**

I will never turn my back on you again
I won't deny how hard you've tried and all you've been
Time and time again, I found this truth will always last
You can never ask too much of love
In an ordinary heart
The extra ordinary part is
You can never ask too much of love
There's no time- no way to measure
Love's an open, endless treasure
You can never ask too much of love
Repeat *
