Krypteria, Somebody Save Me

1.I bare my soul, stripped on a silver platter - my back to the wall, blindfolded, tied up, battered Yearning for someone, someone to end this misery but will that someone. anyone, ever come and rescue me? R:Somebody save me Im close to the edge someone to fill me with life give me dreams I never had Somebody save me and answer my please someone to lift me back up and to put my heart at ease! Somebody help me please 2.Outcast, alone, searching but never finding -Id give my all for a trace of silver lining Yearning for someone, someone to end this misery but will that someone, anyone, ever come and rescue me? R:Somebody save me Im close to the edge someone to fill me with life give me dreams I never had Somebody save me and answer my please someone to lift me back up and to put my heart at ease! Somebody help me please 3. Theres not much left for me to lose, can anybody heal these wounds ? Someone to start my life anew wheres that someone where are you? R:Somebody save me Im close to the edge someone to fill me with life give me dreams I never had Somebody save me and answer my pleas someone to lift me back up and to put my heart at ease Somebody help me please
