

Krystal Harris, Sing To Me

--Intro--

Sing to me
He keeps tellin me
Sing to me
He keeps sayin
Find a way
Way to set me free
Sing to me
Now I'm sayin'

--Verse 1--

Such a long time now
You've been after me
Tellin me you're what I need
To satisfy my dreams
But I kept goin on like you
Would have
Till you asked me one simple thing

--Chorus 1--

Would you...
Sing to me
Now he keeps sayin'
Find a way
Way to set me free
Sing to me
Now I'm sayin'

--Verse 2--

I don't remember love
Sneakin' up on me
From behind
After chasin' love
You made me believe
And all it took was
Just you whispering

--Chorus 2--

Would you ...
Would you sing to me
He keeps sayin'
Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
Find a way, way to set me free

--Hook--

The way I feel inside
I can't, I can't deny
So I don't even try
And why, cuz you complete me

--Chorus 3--

Find a way
Sing to me
He keeps sayin'
Sing to me
He keeps tellin' me
Sing to me
Now I'm sayin'
Find a way, way to set me free

--Outro--

Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
Now I'm sayin', now I'm sayin'
I'm sayin' sing to me
