

# Krystal Harris, You're My Everything

YOU'RE THE REASON

(modulating)

CHORUS:

You're the reason why I found my way  
And you're the reason why I feel this way  
And you're the reason why I have to say  
I had to let you know you're my everything  
So many times I've been alone  
I didn't know what to do I don't know where I'd be  
If I didn't have I didn't have you  
You comfort me make me believe  
Give me the strength I need  
Since you came into my life it's been so heavenly  
Heavenly

CHORUS:

You're the reason why I found my way  
And you're the reason why I feel this way  
And you're the reason why I have to say  
I had to let you know you're my everything  
So many things I wanna say to you  
I'd give my all to you just because  
You came around and gave me  
All your, all your love  
Now I'd sacrifice my very life  
All you have to do is say the word  
And there would never be no other Ohh

CHORUS:

You're the reason why I found my way  
And you're the reason why I feel this way (yes you're)  
And you're the reason why I have to say  
I had to let you know you're my everything everything  
Ohh you know that you're my reason why I feel this way  
why I could never live without you (you, you)

CHORUS:

You're the reason why I found my way  
you're the reason why I feel this way  
And you're the reason why I have to say  
I had to let you know you're my everything

CHORUS:

You're the reason why I found my way  
you're the reason why I feel this way  
And you're the reason why I have to say  
I had to let you know you're my everything  
You're the reason why I found my way  
and you're the reason why I feel this way  
And you're the reason why I have to say  
I had to let you know you're my everything
