

# Krystal Meyers, Beauty Of Grace

Tell me why do you run  
you say your so ashamed  
bruised and broken  
thought if i figured out the mess you made  
that i'd leave

But anywhere you are  
is never to far away.  
There's freedom from your scars.  
The mistakes that you made-  
forgiven-  
the memories erased.  
Baby, that's the beauty of grace,  
lah dee dah, lah dee dah dah

Tell me what is love?  
I'll never hold you to  
the things you may have done.  
You say you want new life,  
in my arms there's mercy!

But anywhere you are  
is never to far away.  
There's freedom from your scars.  
The mistakes that you made-  
forgiven-  
the memories erased.  
Baby, that's the beauty of grace,  
lah dee dah, lah dee dah dah-  
So blow a kiss  
goodbye to all  
the pain you hide!

But anywhere you are  
is never to far away.  
There's freedom from your scars.  
The mistakes that you made-  
forgiven-  
the memories erased.  
Baby, that's the beauty of grace,  
lah dee dah, lah dee dah dah
