

# Krystal Meyers, My Savior

I feel guilty sometimes when I pray  
Stealing time from needs that are great  
Still you listen to every word I say  
And I want to thank you

And I  
I'm amazed to call you mine

~Chorus~  
My Savior  
I'm laying it at your feet  
Your love, it consumes me  
My Savior  
You've given me all I need  
Your grace and your mercy

I've been thinking about what you did  
I'm empty handed  
So what could I give?  
But all you ask of me is the life that I live  
So I'll be faithful

And I  
I'm not ashamed to call you mine

~Chorus~

I never wanna be away  
Forever I'll pursue  
Everything it takes to be with you

~Chorus~
