

Krzysztof Klenczon, All for you

K.Klenczon - V.Beleska

A lot of dreams

A lot of love

And it's all for you

La, da, da, da,

La, da, da, da,

Yes, it's all for you.

I know I'm young, I've got a lot to live

Friends see little I can't do

But thought I've got a whole lot left to give

I want to give it all to you.

A lot of hope

A lot of life

And it's all for you...

In their frantic search for pleasure

Friends will think I've wasted mine

When they've finally found the treasure

They'll see we had it all the time.

A lot of dreams

A lot of love

And it's all for you...
