

Krzysztof Krecf, Closer

1. You warm me up
When I see you
Enter through the door
I have lost control of what is coming

There is a dull sound in my ears
I hear nothing but your breath

Ref: and I see that you're closer, closer
And I feel how you have me, have me
And I can only hear what I want to hear
When your body is on me

2. Touch me wherever you want
I do not want to resist
Heal me to make the next day better

Take off my clothes
Throw me on the bed
You know the rules - I like this state
When you're under me

There is a dull sound in my ears
I hear nothing but your breath

Ref: and I see that you're closer...
