

Krzysztof Krecf, Stay (ft. Ola Kawicka)

1. Would you listen to me if I told you how I feel?
Would you walk with me if I took you anywhere?
Would you stay here if I told you how I missed you?
Would You?

Ref: I was still running ahead
You caught me, you caught me
I felt emptiness in my heart
I had you and you had me
You left me here in this stupid rain
I'm broken, i'm broken Stay

2. Would you listen to me if I told you everything?
Would you walk with me even I wanted go to hell?

Oh baby, baby what you're doing with me?
Oh baby, baby i'm really trying to believe

Ref: I was still...
