

Krzysztof Kubi, Lovely Place

Come into my lovely place
Full of colours and full of taste
Take my hands so we can fly
Love will make us reach the sky
Look into my eyes now
See how charmin' you are
Our hearts beatin'
In one rythm
All the things to those who wait
Long so long but knew one day
That you will find me after all
And give me what I've waited
Look into my eyes now
See how charmin' you are
Two hearts beatin'
In one rythm
Flyin' high (pa pa, pa para pa)
Flyin' high (pa pa, pa para pa)
Flyin' high (pa pa, pa para pa)
Flyin' high (pa pa, pa para pa)
Now you're dancing here with me
Feels like dreaming, but you are real
Your eyes shining just like mine
Your eyes shining like the stars
So come into my lovely place
Full of colours and full of taste
Take my hands so we can fly
This is all I want now
Look into my eyes now
See how charmin' you are
Our hearts beatin'
In one rhythm
Flyin' high (pa pa, pa para pa)
Look into my eyes now
Flyin' high (pa pa, pa para pa)
See how charmin' you are
Flyin' high (pa pa, pa para pa)
Our hearts beatin'
Flyin' high (pa pa, pa para pa)
In one rhythm
Flyin' high (pa pa, para pa pa)
Flyin' high (pa pa, para pa pa)
Flyin' high (pa pa, para pa pa)
Flyin' high (pa pa, para pa pa)
Look into my eyes now
See how charmin' you are
Two hearts beatin'
In one rhythm
