

# Krzysztof Zalewski, Folyń

Maybe it is that I don't know You  
That I adore You, is that true?

If it own? to be discovered  
I will not bother, why would You?

If I'm falling for You  
What would You do?  
and if I'm falling for You  
Is that new?  
If I'm fallin if I'm fallin for You  
If I'm fallin

Maybe it is that You don't know me  
but don't ignore me  
cause I'll be blue

and before it is to be discovered  
is one another hell that will do yeah

If I'm falling for You  
What would You do?  
and if I'm falling for You  
Is that new?  
If I'm fallin if I'm fallin for You  
If I'm fallin
