

# KSHMR and BASSJACKERS, Memories (ft. SIRAH)

I'm haunted by  
The ghost of you  
Try keep from going under  
But I can't get over you

Memories, memories  
Everything you said to me, said to me  
Oh, but now you're dead to me, dead to me  
Now you're just a memory, memory

Haunted by

Haunted by

Haunted by  
Now you're just a memory  
Memory

Haunted by...  
The ghost of you  
Haunted by...  
The ghost of you

Haunted by...  
The ghost of you  
Haunted by...  
The ghost of you

All my life, I've been haunted  
Haunted...  
And I think I'm going under  
But I can't get over you

Memories, memories  
Everything you said to me, said to me  
Oh, but now you're dead to me, dead to me  
Now you're just a memory, memory  
Haunted by...  
The ghost of you  
Haunted by...  
The ghost of you  
Now you're just a memory  
Memory  
Now you're just a memory
