

# KT Tunstall, Gone To The Dogs

Since you've been gone  
Gone to the dogs  
In a round about way  
You're still sing  
Singing along  
I can see it in your face

Everywhere you go  
I'm there with you  
Still part of you  
Never let you go at it alone  
If you do  
I'll make sure you are standing on your feet  
Cause life could be sweet

But now you're gone  
Gone to the dogs  
I don't know you like I did

So why don't you say  
Say it out loud  
All these things you hold inside of yourself  
Holding on tight  
As if you're frightened of the ride

Everywhere you go  
It goes with you  
Takes part of you  
And never lets you go at it alone  
If it would I know you could be so much more than this  
And life could be bliss

I never hold you up  
And no I'll never let you down  
You know I do my best  
If I ever held you up  
No, you never let me down  
You let yourself down, let me down

But now you're gone  
Gone to the dogs  
I don't know you like I did
