

Kuba Szmajkowski, Lovesick (piosenka na EUROWIZJA 2022)

(La-la-la, la-la-la-la lovesick)
Baby, why you break me down?
You're in my veins, a shot of pain
And I just wanna blow this town
Get out and leave Till I can breathe
But you give me the feeling
And even though I'm bleeding
I can't get enough of you
Like I caught a fever
And you give me the feeling
I cannot shake or let it be
Like you got a million ways
To hit me with your fever, fever, why
(La-la-la, la-la-la-la lovesick)
La-la-la, la-la-la-la lovesick
La-la-la, la-la-la-la lovesick
Hit me with your fever
Why, why, why
Why, why, why
Why, why, why
Tell my why I need it, need it
And now you're calling, you wanna see me
I got this notion that it's never gonna end
You call me baby, you drive me crazy
Wish I was leaving
But you give me the feeling
And even though I'm bleeding
I can't get enough of you
Like I caught a fever
And you give me the feeling
I cannot shake or let it be
Like you got a million ways
To hit me with your fever, fever, why
(La-la-la, la-la-la-la lovesick)
(La-la-la, la-la-la-la lovesick)
La-la-la, la-la-la-la lovesick
La-la-la, la-la-la-la-la
Why, why, why
Why, why, why
Why, why, why
Hit me with your fever
Why, why, why
Why, why, why
Why, why, why
Tell my why I need it, need it
La-la-la, la-la-la-la lovesick
La-la-la, la-la-la-la lovesick
La-la-la, la-la-la-la lovesick
La-la lovesick
Why, why, why
Why, why, why
Why, why, why
Hit me with your fever
Why, why, why
Why, why, why
Why, why, why
Tell my why I need it, need it
(La-la-la, la-la-la-la lovesick)
(La-la-la, la-la-la-la-la)
